

Sandstone Options for Women

VOLUNTEER APPLICATION

Thank you so much for your interest in becoming a volunteer for Sandstone Options for Women. Currently we need volunteers in the following areas:

COUNSELORS: We are looking for women trained in counseling, a related field, or have applicable life experiences that have a burden to help women in a crisis pregnancy. Training is provided through TLC Options for Women in St Paul and through the Director in Sandstone.

MEDICAL PERSONNEL: Family practice physicians, R.N.'s, L.P.N.'s, ultrasound technician, and other personnel interested in helping the medical staff.

PROFESSIONALS: With areas of expertise in parenting, safety, life skills or health to assist in scheduled classes.

OFFICE and other PERSONNEL: Receptionists, cleaning and maintenance workers, and grounds keeping help.

FUNDRAISING: Individuals to organize and help with the various fundraising efforts, including the fall banquet.

In addition to the areas listed above, we are always in need of prayer support, which provides the spiritual foundation for our work.

The need for financial contributions is also constant. We always welcome new baby clothes for our layettes, blankets, disposable and cloth diapers, strollers, cribs, playpens, new car seats, infant formula, and baby food.

For more information feel free to call the office at 320-216-7633. You may also email us at Director@sandstoneoptions.org.

You can return this application via mail or email.

Every application will be reviewed by the Executive Director and Volunteer Coordinator to determine approval. Approved applicants will then go through an interview process before filling the volunteer position.

Thank you for being willing to help,

Nancy Mostek
Director

License # for medical personnel:

Tell us about yourself (are you married, single, have children, etc.).

How did you hear about Sandstone Options for Women?

What leads you to volunteer here?

What skills, experience or education can you offer?

Have you worked as a volunteer before? Tell us about what you did.

What type of work would you be interested in doing with the Center?

There is training available in all areas.

An orientation session is MANDATORY for all volunteers. Periodic training is also required. COUNSELORS are required to fulfill training requirements of the Center regardless of previous experience.

What are your thoughts and feelings about:

Pregnant teenage girls

Abortion-minded women

Abortion in cases of rape, incest or fetal deformity

Women who have had abortions

Adoption

Have you any experiences related to abortion or counseling abortion-minded women?
Tell us about it.

How long of a commitment can you make to Sandstone Options for Women?

What days and times are you available?

Please read the Policy Statement of the Options for Women Center on the following
page.

Do you agree to promote these policies while you are serving at the Life Care Center?

Sandstone Options for Women

TLC Options for Women Policies

1. Every individual has the right to life and the right to health care from the moment of conception until natural death.
2. TLC Options for Women and its affiliates do not perform abortions, nor refer for abortions, but offer alternatives to meet the physical, emotional and financial needs of all concerned to the extent we are able.
3. Abortifacients, sterilization and all artificial birth control methods are incompatible with the TLC philosophy. These shall not be encouraged, provided or dispensed.
4. Natural Family Planning is to be encouraged for married couples seeking family planning advice.
5. No one will be refused services because of inability to pay. At our Center all services are free.
6. Doctors and other medical professionals who are participating with any TLC Center must follow the above policies and practice.
